## How to complete this form

### **A** Tax File Numbers (TFN), Australian Business Numbers (ABN) or Exemptions

Please record your TFN, ABN or the appropriate exemption information. If you are exempt, but have a TFN, it is safer to provide your TFN in case your circumstances change.

For securities held jointly, details of only two holders are required. If possible, you should give details of those securityholders with a TFN rather than those who are exempt.

For securities held on behalf of another person, such as a child or an aged or invalid person, enter the Trust TFN. If there is no Trust TFN, enter the Trustee's TFN or exemption. Where the investment is held by an adult for a child, the adult is the Trustee.

#### **EXEMPTIONS**

For details about who is exempt, please contact the Australian Taxation Office. To claim your exemption, please enter the code and number of the pension or benefit you receive from the following list:
